Lyewood Way, Fernley Park, Uckfield, TN22 5GL

A modern and beautifully presented four-bedroom semi-detached townhouse, enviably positioned within a popular residential development on the edge of Uckfield. The property enjoys being in a convenient location within walking distance of Uckfield High Street, a range of local amenities, well-regarded schools and public transport links, including the mainline railway station offering direct services to London. The generously proportioned accommodation is arranged over three floors and is first entered via a welcoming entrance hall, featuring a useful under-stairs storage cupboard and a ground floor cloakroom/WC. To the right of the hall is a double-aspect lounge, enhanced by a warming log-burning stove, creating a cosy yet stylish living space. To the left, the stunning kitchen/diner/family room provides an ideal setting for entertaining and everyday family life, complete with patio doors that open directly onto the garden. The first floor comprises two double bedrooms, including the spacious principal bedroom which benefits from a modern en-suite shower room. A contemporary family bathroom serves the second bedroom on this floor. The top floor offers two further double bedrooms, one of which has been thoughtfully designed as a luxurious dressing room with built-in wardrobes to two walls. A further shower room completes the accommodation on this level. Externally, the driveway has been widened to provide parking for three vehicles and leads to a single garage, ideal for secure parking or additional storage. The rear garden has been attractively landscaped with low maintenance in mind, featuring artificial lawn and a paved patio area, perfect for summer barbecues and outdoor dining.
