High Street, Uckfield, TN22 1EJ

What a truly impressive and beautifully presented Grade II listed property this is located on the fringes of Uckfield's bustling high street boasting an exceptionally generous cottage style rear garden and two allocated car port parking spaces to rear. This wonderful, detached property was previously configured as two cottages but now forms one very well-proportioned 4-bedroom home. The accommodation on the ground floor comprises a tremendous double aspect lounge with a gorgeous fireplace, a spacious dining room, modern kitchen boasting a utility and w/c to side. The first floor is arranged with four bedrooms, a family bathroom, and a family shower room. The rear garden is certainly something to shout about given its generous size, particularly as it is located to the edge of the high street made up of a large patio with a well, an expanse of lawn, well stocked flower borders, and the huge bonus of gaining allocated parking to rear accessed via Hughes Way. Properties like this are rare which is why we feel viewings should strongly be considered without hesitation.
