£675,000

Rolling Mill, Maresfield, TN22 2BF

A stunningly presented detached family home offering four bedrooms and three bathrooms, perfectly situated at the edge of this highly desirable development. Enjoy breathtaking views over the recreation area, featuring a communal pond and scenic countryside beyond. This bright and spacious residence has been extensively upgraded by the current owners since its purchase in 2022. Ground floor highlights include a spacious entrance hall leading to a generous kitchen diner equipped with matching units at eye and base level, fully integrated appliances, a five-ring gas hob, double oven, and double doors opening onto an outdoor seating terrace. The home also features a versatile dining room, a convenient downstairs cloakroom, an additional room currently serving as a playroom and an impressive triple-aspect living room that has been tastefully decorated recently, with double doors opening onto the seating terrace. From the entrance hall, a staircase leads to the first floor, which accommodates a large dual-aspect principal bedroom with built-in wardrobes and a beautifully fitted en-suite shower room, a double en-suite bedroom, two additional double bedrooms, and a modern family bathroom. The south-west facing garden is a true highlight, beautifully landscaped to create an exceptional entertaining space. It features a seating terrace directly accessible from the rear of the property, a pathway leading to an impressive outdoor kitchen with worktops, a built-in pizza oven, BBQ, power, and lighting. The rest of the garden is laid with artificial grass, bordered by oak sleeper raised beds. A private door from the garden provides access to the garage, which has been cleverly converted into a workshop, complete with, workbenches, power, lighting, and built-in storage. The front of the property is approached via a pathway through a well-maintained front garden, leading to a tandem driveway with a state-of-the-art electric car charger. Parking is available for two vehicles, with access to the garage on one side.
