DESCRIPTION

This is a really impressive five-bedroom detached home in the heart of the Sussex countryside with a wonderful rear garden and stunning far-reaching views. The plot itself is substantial and incorporates a large front garden and a sizeable and well-established rear garden has a heated swimming pool. As expected, the property has masses of internal space which is spread out across a number of reception rooms. Entering into a large entrance hallway there are a number of doors to other rooms of the house comprising a large double aspect lounge with attractive fireplace, separate dining room, playroom, utility room and large study as well as a very useful downstairs shower room. The generous kitchen/breakfast room is to the rear overlooking the garden and offers lots of storage and worktop space. There are also multiple cupboards on the ground floor with storage space very much in mind. Upstairs rooms are equally impressive and include a spacious main bedroom with en-suite, separate dressing room and balcony to make the most of the view. Furthermore, four more bedrooms all have their own in-built wardrobes and a good-sized family bathroom complete the feature list. All rooms feel bright and homely and the feeling of space is evident throughout. To the front is a double garage and large driveway which will accommodate multiple vehicles and the property is being sold with no onward chain. This really is an excellent family home with versatile space and a lasting appeal. Viewing is highly recommended.
