Lewes Road, Blackboys, TN22 5JD

Set behind a gated shared driveway, this wonderful barn conversion offers spacious, single storey living with impressive high ceilings, generous room sizes, and a stylish blend of character and modern comfort. Beautifully presented throughout and offered with NO ONWARD CHAIN, this unique home also includes a detached self-contained annexe, ideal for guests, multigenerational living, or potential rental income. The main residence opens into a welcoming entrance hall with a convenient cloakroom/WC, leading through to the heart of the home — a bright and expansive open-plan lounge/diner. This fabulous space features vaulted ceilings, an abundance of natural light, and doors that open directly onto the garden, creating a seamless connection between indoor and outdoor living. The modern kitchen/breakfast room is well-appointed with a wealth of wall and base units and continues the theme of natural light and striking ceiling height. The generous principal bedroom suite offers both comfort and luxury, with a private en-suite, a dressing room with built-in wardrobes, and an additional shower. A rear lobby leads to a large utility/laundry room, completing the main accommodation. Outside, the beautifully maintained wraparound garden is mostly laid to lawn and bordered by mature trees and hedging, providing excellent privacy and a tranquil setting. The detached one-bedroom annexe includes a comfortable lounge, bathroom, and access to a large loft room, offering further flexible living space. A double garage adjoins the annexe, ideal for storage, a workshop, or conversion (subject to any necessary consents). Ample driveway parking is available for several vehicles. This delightful home is perfect for those seeking stylish single-level living with the added benefit of versatile additional accommodation, all in a peaceful and private setting.
