Queensmount, Five Ashes, TN20 6LH

What a wonderful gem of a property this is. A delightful ground floor maisonette boasting impressive front and rear gardens that will be sure to catch your attention. The rear garden benefits from a brick store, seating areas, and a big feature is the large chalet/outbuilding that is double glazed and insulated with power and water connected meaning this space could have multiple uses from a studio to a potential secondary financial income if created into a possible AirBnB facility. For those thinking about efficiency, the property benefits for an air source heat pump that is very economical. The garden has been landscaped and is now an idyllic space to enjoy during the warmer months. Inside you first enter into an entrance hall with storage cupboard, modern bathroom with electric shower, and kitchen to either side. A wonderful lounge/diner to front is bright and airy, and a door leads through to the double bedroom with two fitted wardrobes and has a private, and particularly pretty outlook over the garden. This could be a suitable property for those stepping onto the property ladder but could also be ideal for those wishing to downsize or invest.
