### Exceptional Historic Townhouse In Central Location

Once the town's post office and sorting office, this remarkable stone-built townhouse now offers exquisitely presented, high-ceilinged accommodation in an outstandingly convenient central location. Blending historic character with contemporary design, the property has been finished to an exceptional standard throughout, creating a truly unique and stylish home.

Panelled entrance door opens into an impressive **reception area**, featuring solid oak flooring, high ceilings and shuttered double-glazed sash windows to the front. This welcoming space flows through to a rear hall with a useful **study area**, a striking oak and glass half-turn staircase rising to the first floor, and a beautifully appointed **cloakroom** with patterned tiled flooring and chrome fittings.

Double doors lead into the stunning **open-plan living and dining space**. The living room is rich in character, with an arched sash window, shutters, oak flooring and a contemporary freestanding wood-burning stove set on a slate hearth. Open to the dining area, the room is flooded with natural light from side windows and impressive bi-fold doors opening directly onto the rear courtyard garden—perfect for entertaining and everyday living.

The space continues seamlessly into a sleek, modern **kitchen**, fitted with white glass-fronted units accented by gold-toned handles. Marble worktops and splashbacks, and a full range of integrated appliances including a Rangemaster cooker and Samsung fridge freezer. A pantry/coat room and separate **laundry room** add further practicality without compromising style.

The **first floor** offers beautifully proportioned accommodation arranged around an oak-floored

landing with glass balustrading. The **principal bedroom suite**, located to the rear, is a calm and luxurious retreat with shutters, a superb dressing room with fitted wardrobes, and a spectacular en-suite bathroom featuring a freestanding bath, double shower, twin basins and elegant contemporary finishes.

Two further **double bedrooms**, both positioned to the front of the property, each benefit from their own stylish **en-suite shower rooms**, making the home ideal for family living or guests.

Above, a **large attic space** offers exciting potential for future conversion, subject to the necessary consents.

Externally, electric double gates provide access to a **shared private courtyard** with two dedicated parking spaces and an additional visitor space. To the rear, the **courtyard garden** has been thoughtfully designed for maximum enjoyment and minimal maintenance, enclosed by original stonework and high timber fencing, with composite decking, outdoor lighting and heating, and space for dining and relaxation.
