Situation

The land is situated on the edge of Cowbridge town and Llanblethian village. The land is conveniently located being situated approximately 6.4 miles east of Bridgend and approximately 16.20 miles west of Cardiff. Please see the attached location plan.

Description

The land comprises a total of approximately 12.71 acres of land (5.14 hectares) as outlined in red on the attached site plan.

The property is currently grazed as one parcel but is divided by The River Thaw. Generally, the property comprises undulating pastureland suitable for mowing and grazing purposes with potential considered for agricultural, equestrian and amenity use. The land benefits from a 12ft access gate with a small cattle holding pen.

The land may have long-term strategic value for non-agricultural use, but the majority is presently designated in a low flood risk zone.

The property is currently grazed as one parcel with two adjoining additional parcels of land. There is no physical boundary between the subject property and the two adjoining parcels. These boundaries are marked B - C & D – E with the adjoining parcels being owned by separate third parties.

Please note, the adjoining parcel of land south of points B – C may be for sale in the future.

Generally, the property comprises level pastureland suitable for mowing and grazing purposes with potential considered for agricultural, equestrian and amenity use.

Access

Access to the land is from a 12ft galvanised field gate off Constitution Hill marked A on the attached site plan.

Plan

The plans attached to these particulars are shown for identification purposes only and, whilst every care has been taken, its contents cannot be guaranteed.

Services

The land benefits from natural water. We are aware that mains water is available within the vicinity.

For further information, prospective purchasers are able to make their own enquiries with Dwr Cymru Welsh Water and National Grid.

Basic Payment Scheme

The land is being sold without the benefit of Basic Payment Scheme Entitlements.

Wayleave/Easements/Rights of Way

The property is being sold subject to and with the benefit of all rights including: rights of way, whether public or private, light, support, drainage, water and electricity supplies and other rights and obligations, easements and quasi-easements and restrictive covenants and all existing and proposed wayleaves for masts, pylons, stays, cables, drains, water and gas and other pipes whether referred to in these particulars or not. There are two footpaths crossing the land.

Boundaries

The purchaser(s) shall be deemed to have full knowledge of all boundaries and neither the vendor nor the vendors agents will be responsible for defining the boundaries of the ownership thereof.

There is no physical boundary between B – C & D – E. The adjoining land is owned by separate third parties. Please note, the adjoining parcel of land south of points B – C may be for sale in the future.

Tenure and Possession

Freehold with Vacant Possession upon completion.
