

Externally

Electronically operated gates open to a substantial block paved driveway, with a laid to lawn grass area and raised beds aside. The driveway leads to the garage, with an electronically operated up and over door. To the left hand side of the driveway there is a gate giving access to a block paved pathway, with a delightful garden area and a further block paved driveway and steps lead up to the front door. A pathway leads along the side elevation, to a substantial landscaped garden, which is in two main parts. A wooden decked patio area leads directly off the kitchen family room and steps down onto a laid to lawn garden, with raised sleeper beds. The remainder of the garden is mostly blocked paved.
