Wonderful opportunity to purchase this impressive, extended end cottage which is located within the beautiful village of Chapelton, bordering Turton and Edgworth. This area has always been popular due to the tranquillity and natural charm with its rolling hills, moorland walks and nature reserves.

There are many stunning walks to enjoy with the Entwistle and Wayoh reservoirs being close by. Whilst this property is more of a village location, there is a choice of restaurants, pubs and cafes within the locality along with good commuter access with Bromley Cross train station approximately two miles away. Internally the property is extremely well presented with a choice from entering the front or the rear. Upon entering the property the fantastic size of the ground floor accommodation becomes apparent with the kitchen extension making this a wonderful entertaining and living space. The kitchen has a range of fitted wall and base units with granite worktops and integrated appliance. There is plumbing and space for an American styled fridge/freezer with the multi fuel range oven staying within the sale of the property. The kitchen is bathed in light with two skylights and upvc windows, has Amtico flooring which continues into the dining area and also through to the lounge area with its multi fuel wood burner and door with leaded glass window which leads to the front of the property. Moving to the first floor there are two good sized double bedrooms, both with fitted wardrobes and a modern three piece family bathroom incorporating a wc, sink and bath with shower above. From the landing there is loft access with a pull down wooden ladder which leads to the boarded loft room which is currently used for storage. Externally the front of the property is accessed via a path to a low maintenance garden area with raised flower beds and borders. To the rear there is an enclosed yard/garden which partly paved with a gravelled area.
