**5 Twyver Close, Upton St Leonards,
Gloucester, GL4 8EF**

OIEO £450,000

Twyver Close in the heart of Upton St. Leonards is a highly sought after location with a primary school and local village amenities while being readily accessible to Gloucester and major transport links.

This three bedroom property would benefit from updating throughout and the front door opens into a hallway and through to a large living room. To the rear, a dining room sits adjacent to the kitchen with utility room off. Three good sized bedrooms and a family bathroom with separate WC sit on the first floor and two useful loft store rooms sit on the second floor with far reaching views. A garage, mature garden and external storage complete the property.

With no onward chain this property presents an exciting opportunity for the prospective buyer to transform it into the perfect family home.
