To the outside the rear garden can be accessed via a pedestrian side gate or from the conservatory. The garden has been arranged in two tiers, is of a generous size and features a good size terrace with the upper tier being laid to lawn and provides scope to improve upon.

The property is conveniently situated for access to the town with a bus stop close by and is offered for sale chain free.

Location

Dracaena Avenue is aptly named for the Dracaena palms that flank the sides of this landmark avenue that leads into Falmouth, perfectly located for ease of access to the town of Penryn or the A39. Opposite the property is a park and green space for sports and walks and just a short walk away is Falmouth Marina where one will also find a cafe and restaurant, as well as Sainsburys supermarket.

The town of Falmouth is within approximately a mile and offers a variety of shops, cafes, restaurants and banking facilities, plus multi screen cinema. At the far end of the town is Event Square with the National Maritime Museum which is home to many annual events such as the annual Sea Shanty and Oyster Festival.
