The property benefits from a practical entrance porch leading into a spacious central hallway and access to both the lounge and kitchen, as well as stairs rising to the first floor.

The lounge is situated to the front elevation and enjoys a bright south-facing aspect, enhanced by an inviting bay window. A feature chimney breast with dressed fireplace opening provides an attractive focal point.

To the rear of the property is the extended open-plan kitchen and dining area, created through a full-width rear extension. A cosy snug area sits just off the dining space overlooking the rear garden. The kitchen is fitted with a range of work surfaces, cupboards and shelving, a useful pantry provides additional storage.

The family bathroom is well appointed with a shower cubicle, hand wash basin, WC and heated towel rail.

Off-street driveway parking is available alongside the double-length garage. The current owners have created a pedestrian doorway to the garage, which could easily be reverted if required.
