Description

Well established 1960's chalet style semi detached bungalow built by Wimpey Homes. Set well back from the road with a long driveway for convenience and a garage. South facing rear garden for enjoying sunny barbeques, well decorated and presented offering two separate living rooms, fitted kitchen with appliances and dual aspect windows, three bedrooms with built-in storage, family bathroom and a downstairs cloakroom. Gas central heating, UPVC picture windows creating a light and airy interior with distance views over the North Downs. Being sold with no forward chain.

Location

Located in a well established and sought after residential position within a quarter of a mile of The Village Green with its excellent selection of local amenities including shops providing for everyday needs, County library, a selection of pubs and restaurants together with mainline railway station connected to London on The Victoria Line. The village boasts a wide selection of leisure facilities including golf, tennis, football, cricket and tennis clubs. Maidstone, The County Town is some two miles distant and offers a more comprehensive selection of amenities including two railway stations connected to London. The M20/A20/M25/M2 and M26 motorways are also close by and offer direct vehicular access to both London and The Channel Ports.

Energy Performance Certificate				
96, Birling Avenue, Bearested, MAIDSTONE, ME14 4LL				
Dwelling type:	Semi-detached house	Reference number:	8525-8726-8870-5563-7996	
Date of assessment:	17 June 2015	Type of assessment:	EPC for existing dwelling	
Date of certificate:	16 June 2015	Total floor area:	70 m ²	
Use this document to:				
• Compare current ratings of properties to see which properties are more energy efficient				
• Find out how you can save energy and money by installing improvement measures				
Estimated energy costs of dwelling for 3 years:			£ 4,041	
Over 3 years you could save:			£ 2,473	
Estimated energy costs of this home				
	Current costs	Potential costs	Potential future savings	
Lighting	£ 810 over 3 years	£ 147 over 3 years		
Heating	£ 3,000 over 3 years	£ 2,000 over 3 years		
Hot Water	£ 762 over 3 years	£ 213 over 3 years		
Total	£ 4,572	£ 1,460		
These figures show how much the average household would spend in this property for heating, lighting and hot water. They exclude energy use for running appliances like TVs, computers and clothes, and any electricity used for cooking.				
Energy Efficiency Rating				
The graph shows the current energy efficiency of your home. The higher the rating the lower your fuel bills are likely to be. The potential rating shows the effect of undertaking the recommendations on page 3. The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).				
				
Top actions you can take to save money and make your home more efficient				
Recommended measure	Indicative cost	Typical savings over 3 years	Available with Green Deal	
1. Reduce hot water losses	£1,000 - £2,750	£ 167		
2. Upgrade hot water insulation	£200 - £1,000	£ 228		
3. Heat insulation (solid floor)	£4,000 - £8,000	£ 166		
See page 3 for a full list of recommendations for this property.				
See the Green Deal website for more information on the Green Deal and how to finance improvements. The Green Deal may allow you to make your home warmer and then to pay for the improvements.
