With most 3 Bedroom properties it is always the third bedroom that causes the arguments - who is going to have the tiny room ?!! Well with this particular **SEMI-DETACHED HOUSE** the third bedroom is surprisingly spacious ! A further advantage with this property is the rear extension which provides a **sociable kitchen area** designed for cooking, dining, and relaxing, encouraging interaction with family and guests. Another enhancement is the functional conversion of the garage, which has been designed to combine the area for use as a storage facility with a utility room. Offered for sale with **gas fired central heating and uPVC framed double glazing plus replacement kitchen and bathroom**. Located on the Felpham/Middleton borders, there is easy access to primary schools, local shops, the health centre and buses with Bognor Town centre some 2.5 miles to the west. For an appointment to view contact **May's** - even if only to save arguing over that third bedroom !
