LAYOUT GUIDE ONLY – NOT TO SCALE

North Rocks Road, Bodsands, Paignton, TQ4 6LF

A fabulous, three bedroom **DETACHED HOUSE**, which is one of the rare, seven original houses which formed part of the local Bodsands development, designed in the 1930's by the acclaimed, swiss born, American modernist architect William Lescaze. This very striking home stands in sought after North Rocks Road which is a quiet no through road, yet has easy access to Bodsands Beach and the picturesque coastal footpath.

The local shopping parade with pharmacy, convenience store and sub post office is a few minutes walk away at Churston Broadway where there is also a library and regular bus service in to Paignton and Brixham town centres.

This light and bright property benefits from **sea and coastal views** and some super original features, has been refreshed in recent times and has been re carpeted throughout, it offers a most comfortable home and offers lots of scope and potential for a purchaser to improve.

The well proportioned house with mostly double aspect rooms briefly comprises: Living room with sliding door opening to the good size dining room, fitted kitchen which leads to a garden room with ground floor w.c. On the first floor are three double bedrooms and family bathroom/w.c.

Outside provides surrounding gardens, long driveway which leads to a detached single garage. Planning permission for ground floor and first floor extension was passed in 2007 to make the house larger, into a five bedroom/four reception property should a purchaser require more space. Planning ref: **P/2006/1871**

Internal viewing is highly recommended to appreciate this lovely home.
