Alternatively, the second reception room could be used as a further bedroom.

The pretty lawned garden leads to a large garage with EV charge point and the rear access lane. The house is fitted with double glazed tilt & turn windows. Gas central heating, additional electrical sockets and internet cabling have been fitted during its current ownership.

The property, which would benefit from some refurbishment, is offered for sale with no onward chain and provides a great opportunity for first time buyers or those looking to downsize. Early viewing is highly recommended.
