## PROPERTY DESCRIPTION

Lawson Rose are delighted to bring to the market this three-bedroom, semi-detached property, ideally positioned within a popular pocket of PO4, close to local amenities, Fratton Train Station and benefitting from the rare advantage of a garage — a true rarity for the area. Situated on Haslemere Road in Southsea, the property has been a much-loved home for over 50 years, offering a wonderful opportunity for buyers looking to put their own stamp on a home with clear potential. Upon entering, you are welcomed by an inviting hallway with original woodblock flooring, which leads through to the spacious open living and dining room — very much the heart of the home. This generous space is filled with natural light and features double sliding doors that open out onto the charming, low-maintenance rear garden, creating a pleasant connection between indoor and outdoor living. The fitted kitchen can be accessed from both the hallway and the living space, providing a practical layout and further scope for modernisation or reconfiguration if desired. The first floor offers three good-sized bedrooms, one of which has a built-in wardrobe, alongside a fitted bathroom and a separate W.C, adding to the home's family-friendly appeal. Externally, the rear garden is designed for ease of maintenance and benefits from side pedestrian access to the road, as well as an outside W.C. The garage is located just a few doors down from the property and is accessed via Empshott Road, offering valuable secure storage or parking. Overall, this is a fantastic opportunity to acquire a well-cared-for home in a sought-after location, offering both charm and plenty of potential. We highly recommend an internal viewing to fully appreciate all that this property has to offer. For further information or to arrange an internal viewing, please contact the Lawson Rose sales office today.
