Tame

— H O M E S —

At Tame our mission is to build great value homes
where the design is in the detail.

With over 20 years in construction, one thing is certain; our focus is to design houses that people will be proud to call home. Houses finished to perfection and furnished with high-end fixtures and fittings. We build a select number of homes each year in hand-picked locations. So each property is as special to us as we hope it will be to you.
