In Brief

We are excited to bring to the market this Superb Detached Residence, quietly tucked away in a prime cul-de-sac location, boasting attractive gardens and ample parking. The property has been thoughtfully and beautifully designed throughout, with carefully chosen décor and contemporary touches, resulting in a cohesive and inviting living environment. A peaceful and stylish living room with views towards a lovely woodland area is approached from the reception hallway, with a generous cloakroom/boot room sitting opposite. The heart of the home is the bright, open-plan kitchen and dining area, featuring a contemporary range of units, worktops and central island – also showcasing a ‘banquette’ bench seating area, perfect for entertaining and family dining. Large patio doors provide a stunning vista over the rear garden. In addition, there is a useful utility/laundry cupboard off the kitchen also. Upstairs, the master bedroom presents a retreat-like atmosphere with neutral tones and feature panelling to one wall, a luxurious en-suite shower room compliments the room. An attractive second double bedroom is also adorned with the feature panelling and the third bedroom is currently being used as a dressing room/study. Finally, a stylish family bathroom completes the upper floor accommodation. Outside to the rear, an impressive patio awaits and is perfect for alfresco dining or relaxation. A brick built wall with pretty plantation at the far end of the garden together with panel fencing, well stocked planters and trees, provide a good degree of privacy and creates a peaceful, tranquil setting. A shed with power and light sits to the side and there is pedestrian access leading to the detached garage. To the front of the property there is generous parking to the front and side, and is flanked by mature tree/shrub borders. This fabulous home is simply a ‘must-see property’ and we anticipate a high level of interest. We would strongly urge an early viewing to avoid any disappointment.
