offices also in hampstead garden suburb & crouch end

Litchfields are pleased to offer for sale this very elegant, 4 bedroom, terraced Victorian family home which has been completely refurbished by the current owners. They have retained many of the original Victorian features whilst completely re-modelling the house (2021/22) to create very stylish and vibrant living, entertaining and workspaces. Working closely with their architect to maximise communication between different areas of the house they created a new double height area that connects the living space, kitchen and first floor office which was designed specifically for home working (including high speed cabling), a series of sliding doors allows privacy when needed. The house was completely re-wired, re-plumbed and new hardwood double glazed windows were installed throughout. They added a rear extension with a bespoke kitchen and underfloor heating, with access, via sliding doors, to an internal courtyard. A large pivot door allows a seamless flow from the kitchen-dining area to the rear garden. A new, luxury bathroom with separate shower cubicle and under floor heating was also installed. Despard Road is very conveniently located close to all the amenities of historic Highgate Village and Waterlow Park as well as excellent local schools and transport links to central London and the City, with Archway tube station (Northern Line zone 2) a stone's throw away. EPC - C
