The property is currently set up as a four bedroomed HMO rental property let until 30th June 2026 with a rent of c.£28,800 p/a excluding bills. However, the property may be more suited to the conversion back to a private family home, with potential to perhaps alter the room layouts to create a more suitable and spacious home.

Upstairs, there are two bedrooms, a shower room w/c and a useful feature loft room. Outside, the property is street lined to the rear with on street resident permit parking. The property is accessed from the front via a footpath, leading into a small enclosed corner plot garden. The neighbouring property is also available for sale should buyers be interested in acquiring both properties - please see our separate sales details. Internal viewing strongly advised to appreciate the full scope for improvement and potential layout improvements, all subject to relevant consents.
