Agents Note: These particulars are thought to be correct, though their accuracy cannot be guaranteed and they do not form part of any contract. Please note that we have not tested any apparatus, fixtures, fittings or services and as such cannot verify that they are in working order or fit for their purpose. Furthermore, solicitors should confirm that moveable items described in the sales particulars are, in fact, included in the sale since circumstances do change during marketing or negotiations. A final inspection prior to exchange of contracts is also recommended. Although we try to ensure accuracy, measurements used in this brochure may be approximate. Therefore, if intending purchasers need accurate measurements to order carpeting, or to ensure existing furniture will fit, they should take such measurements themselves.
