

16 Sycamore Avenue Oldham, OL4 2EL

3-bedroom semi-detached property offering generous living space, complemented by extensive and highly versatile gardens, making it an ideal choice for growing families. At the heart of the home is the stylish and modern open-plan dining kitchen, thoughtfully redesigned to create the contemporary living space sought after by many homeowners. The kitchen boasts an island with an integrated sink, a separate dining area, and opens seamlessly into an additional sitting room within the conservatory. The conservatory features a new solid insulated roof, ensuring it can be enjoyed year-round. Adjacent to the dining area is a convenient utility space, perfect for laundry, which also houses the new Worcester boiler. Upstairs, you will find a newly fitted modern bathroom and three well-proportioned bedrooms, offering ample space for a family. Externally, the property features a front garden and off-road parking for two cars. The rear of the home showcases an expansive garden, divided into three distinct areas: a patio, a lawn, and a woodland/rough area with two large trees – perfect for children to explore and for pets to enjoy.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy rating and score

This property's energy rating is D. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

Score	Energy rating	Current	Potential
92+	A		
81-91	B		85 B
69-80	C		
55-68	D	65 D	
39-54	E		
21-38	F		
1-20	G
