PENINSULA SURVEYS

Whilst every effort is made to ensure these details are accurate, all measurements given are approximate and for guidance only. We are unable to comment on the structure of the building or services and any investigations should be carried out by a qualified surveyor. We strongly advise you to ensure that all legal aspects are fully investigated by your solicitor prior to a purchase. We have not applied tests to any appliances or equipment and therefore cannot verify these are in good working order. We understand from the vendor that the fixtures and fittings listed are to be included in the sale price but these may be subject to negotiation.
