Property Introduction

Crofts are delighted to present this superbly updated and beautifully styled four-bedroom detached home, designed in an attractive Tudor style and positioned on a generous plot with private south-west facing gardens in one of Waltham's most sought-after residential areas. This property is the ideal family home, finished to an exceptional standard and offering both space and modern comfort throughout. The accommodation opens with a welcoming reception hallway leading to an inner hallway and a cloakroom/boiler room. The ground floor provides excellent living space with a spacious main lounge, an additional sitting room, and a stunning open-plan living, dining and kitchen area fitted with a high-quality Haagenson kitchen. A separate utility room completes the ground floor layout. To the first floor, the landing leads to a modern family bathroom and four generously sized double bedrooms. The principal bedroom impresses with a contemporary ensuite and a walk-in wardrobe. Outside, the property stands on a lovely sized plot with ample off-road parking, including space for a caravan, motorhome, or multiple vehicles, as well as an attached garage. The rear garden is ideal for family life and outdoor entertaining, featuring a large lawn and a spacious patio area that enjoys the afternoon and evening sun. Additional benefits include gas central heating and uPVC double glazing. A beautifully presented home in a prime location, offering style, space and practicality for the modern family.

Entrance Hallway

A welcoming entrance hall with composite entry door with adjoining glazed windows to the front elevation, along with further uPVC double glazed windows to the front and side aspects, allowing for ample natural light to brighten the hallway. Central heating radiator.

Hallway

6' 5" x 20' 6" (1.961m x 6.246m)

Pleasantly decorated the hallway, offers central heating radiator. Laminate flooring. Staircase to the first floor accommodation.

Cloakroom/Boiler Room

A useful room offering double glazed windows to the rear elevation and having w.c and housing the gas boiler whilst providing useful storage space.

Living Room

11' 2" x 15' 3" (3.397m x 4.659m)

The first of the reception rooms creates this pleasant sized room which is neutrally decorated. The main section of the room has a uPVC double glazed curved window to the front elevation and two further double glazed windows to the side which look into the reception hallway. A focal point is created by the stone fireplace with living flame gas fire. Coving and rose to the ceiling. Central heating radiator. The lounge then opens into the second section which could create a study/play area or dining.

Living Room (Part Two)

11' 4" x 10' 5" (3.449m x 3.178m)

Offering uPVC double glazed window to the front elevation.

Sitting Room

11' 9" x 21' 4" (3.582m x 6.504m)

A versatile room which is currently used as a second sitting room/home office, but would make an ideal play room for those with younger members in the family or a 5th ground floor bedroom. uPVC double glazed window to the rear elevation and French doors with adjoining glazed panels to the rear elevation. Central heating radiator.

Living/Dining Kitchen

34' 11" x 18' 0" (10.637m x 5.480m) maximums

One of the main selling points to this super home has to be that of this spacious open plan living dining kitchen, with the kitchen being designed and fitted by Haagensen. Firstly you find ample space to accommodate both living and dining areas comfortably. The living dining area has a single access door to one side and French doors to the other with adjoining glazed panels allowing access to the gardens and allowing for ample natural light to brighten the room. With Antico flooring, the room is pleasantly decorated with coving and down lighting to the ceiling. Two column styled central heating radiators. Then opening to the main kitchen area. As mentioned the kitchen was fitted and designed by Haagensen around three years ago to their normal high standards and offers an abundance of storage with a range of fitted units along with quartz work surfacing and a matching central island. One and a half inset under counter sink. Integrated hob set into the island with ground vented extractor. Other integrated appliances by Bosch include eye level ovens, warmer and then there is space to accommodate an American styled fridge freezer. Column central heating radiator. Down lighting to the ceiling. uPVC double glazed windows to the rear and side elevation.

Utility Room

8' 2" x 10' 3" (2.486m x 3.112m)

A well proportioned utility room which offers uPVC double glazed windows to three aspects and is complemented with a range of units providing ample storage and having work surfacing with stainless steel sink and drainer. Splashback tiling. Plumbing and space for a washing machine, dishwasher and tumble dryer. Central heating radiator.

First Floor Landing

A well proportioned landing which is neutrally decorated and provides access to all the first floor rooms. Central heating radiator. Loft access to the ceiling. Storage cupboard.

Bedroom One

19' 9" x 12' 10" (6.016m x 3.909m) max

A spacious main bedroom with dual aspect view with double glazed windows to the front and side elevations. Central heating radiator. Walk in wardrobe. Door to the ensuite.

Ensuite to Bedroom One

Offering Velux window, the shower room is fitted with a vanity wash hand basin, w.c and shower cubicle. Central heating towel radiator. Down lighting.

Bedroom Two

11' 2" x 14' 7" (3.412m x 4.454m) maximums

Another good sized double bedroom with uPVC double glazed window to the front elevation. Central heating radiator.

Bedroom Three

14' 11" x 8' 2" (4.538m x 2.478m)

Offering uPVC double glazed window to the side elevation and fitted wardrobes running along one wall. Central heating radiator.

Bedroom Four

13' 11" x 11' 11" (4.248m x 3.640m)

The fourth and final bedroom is again another double and has a uPVC double glazed window to the rear overlooking the garden. Central heating radiator.

Family Bathroom

10' 2" x 10' 5" (3.102m x 3.171m) max

A lovely sized family bathroom with uPVC double glazed window and being equipped with a walk in shower, vanity wash hand basin, panelled bath and a close coupled w.c. Central heating towel radiator. Down and ceiling lights.

Outside

One of the selling features to this lovely family home has to be that of its gardens. To the front the main section of garden is gravelled all over for ample off road parking for multiple vehicles with more than enough space for a caravan / motor home or similar.
