Tucked away in a peaceful residential setting, this is a beautifully renovated three bedroom semi detached home that blends contemporary comfort with an inviting sense of warmth. Perfectly positioned within the vibrant seaside city of Southend on Sea, this property offers a lifestyle defined by convenience, character and modern living.

Stepping through the front door, you are welcomed into a home that has been thoughtfully updated throughout. The interiors feel fresh, elegant and effortlessly liveable, with a careful balance between stylish design and everyday practicality.

At the heart of the home lies a striking modern kitchen, recently installed and beautifully finished. Clean lines, quality fittings and generous preparation space make it both visually impressive and highly functional. A place where morning coffees, relaxed family meals and lively dinner gatherings naturally unfold. The ground floor layout flows comfortably, creating an inviting environment for both entertaining and quiet evenings at home.

A practical cloakroom adds a valuable touch of convenience, particularly for busy households or visiting guests. Upstairs, three well proportioned bedrooms provide calm and comfortable spaces to retreat to at the end of the day. Each room benefits from the sense of light and freshness that comes with the home's recent renovation.

Serving the bedrooms is a contemporary four piece bathroom suite, thoughtfully designed with both luxury and practicality in mind. A full sized bath and separate shower provide the flexibility of a relaxing soak or an invigorating start to the morning, all finished with sleek, modern fixtures.
