General Remarks

NO CHAIN. A mature extended detached property proving spacious three reception room / three double bedroom accommodation with off-street parking and rear garden in a convenient location on the fringe of the city centre.

This mature detached property appears to have been the subject of works carried out under a Town Grant Scheme in the 1990's, These included a re-slatted roof, an injection damp course, PVCu double glazing and replacement service installations. The property provides spacious family accommodation comprising an entrance hall; two main reception rooms; kitchen with modern grey toned units; breakfast room; rear hall and cloakroom. Upstairs a galleried landing leads to three double bedrooms and a large bathroom. Gas combi central heating is installed. Outside there is double width parking at the front with a gated pedestrian path both to the front door and to one side opening to a rear yard with a flight of steps leading down to a garden on a lower level. Some further work, mainly of a cosmetic nature, may be considered desirable.

Location: The property is situated within the established "Smithfield" residential area only a quarter of a mile from Eagles Meadow and the city centre.

Constructed of brick-faced and rendered external elevations beneath a re-slatted roof with single storey fibreglass roofed extensions to the rear.
