Stone-built countryside property

This Grade II listed stone built barn conversion is for sale in the rural hamlet of West Marlish near Morpeth, offering five double bedrooms and flexible accommodation suited to families seeking a green, countryside setting. The property is set amongst green spaces, with countryside walks available from the surrounding lanes. Morpeth town centre is accessible by car, offering supermarkets, independent shops, cafés and restaurants, as well as the popular Carlisle Park by the River Wansbeck. A stones throw from local heritage sites, Wallington Hall and Belsay Hall. The property also features an electric car charging point and high speed fibre broadband.

Spacious light-filled living room

The ground floor includes a formal living room with French doors opening to a courtyard, creating a direct connection between indoor and outdoor space. A dining space is positioned within the hall, complemented by a feature staircase.

Modern open-plan kitchen

An open-plan area incorporates a real cooks kitchen with granite countertops, kitchen island, integrated appliances and good natural light, together with a living area and separate utility room.

Spacious bedrooms & bathroom

Upstairs, all five bedrooms benefit from vaulted ceilings and exposed beams, enhancing the character of the conversion. The master bedroom is a generous double with a modern en-suite, while the remaining four double bedrooms are served by a family bathroom.

A photograph of a low-maintenance garden. In the foreground, a stone wall made of large, irregular stones runs across the frame. Behind the wall, there is an outdoor seating area with a wooden table and a wicker sofa with light blue cushions. Several potted plants, including yucca-like plants with spiky leaves, are arranged around the seating area. In the background, there is a stone wall topped with a hedge, and beyond that, rolling green hills under a blue sky with light clouds.

Low-maintenance garden

Externally, there is a low maintenance garden perfect for alfresco evenings and a courtyard to the rear for added outside space.
