South Harrow (1.2 miles)

South Harrow is South-West of Harrow-on-the-Hill in the London Borough of Harrow and its development originally spread South and West from the hamlet of Roxeth as a result of urbanisation and easier access from Central London by rail.

The area includes the geometric garden estate of Shaftesbury Circus. Beyond this historic heart, lies a newly-developed retail park which compliments the original high street, Northolt Road, offering a variety of amenities. A variety of local buses serve the nearby town centre of Harrow which features two indoor shopping centres, a cinema and a wide range of major retailers.

There are many local schools within close proximity to the property, including Earlsmead Primary School, Willow Tree Primary School, Petts Hill Primary School, Northolt High School and Harrow Independent College.
