#### Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read guidance for landlords on the regulations and exemptions (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

#### Energy rating and score

This property's energy rating is B. It has the potential to be A.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D  
the average energy score is 60

- LANDSCAPED GARDEN WITH TERRACE AND DECKING
- INSULATED GARDEN OFFICE
- PRIVATE PARKING AND HIGH-END FINISHES THROUGHOUT

FOR SALE BY PRIVATE TREATY (Subject to contract)

A striking contemporary self-build offering exceptional design, high-end finishes and beautifully curated living space.

Constructed just two years ago, Beechcroft is an outstanding architect-designed contemporary home, blending bold modern styling with thoughtful, practical family living.

The property presents striking elevations formed from a stylish combination of smooth render and brickwork, creating an attractive, modern façade that sits comfortably within its setting.

Set back behind a shared approach and enjoying a private driveway, this impressive residence immediately sets the tone with its crisp architectural lines, quality materials and carefully considered layout.

The welcoming entrance opens into a stylish vestibule and hallway, finished with oak-effect flooring, discreet lighting and bespoke storage. To the front of the property is a beautifully appointed lounge featuring a bay window and a contemporary media wall with acoustic panelling and illuminated shelving, creating a refined yet comfortable retreat.

The heart of the home is undoubtedly the stunning open-plan living, dining and kitchen space to the rear — a light-filled and sociable environment designed for modern lifestyles. The kitchen is fitted with an extensive range of royal blue and contrasting light grey cabinetry, enhanced by quartz work surfaces, integrated NEFF appliances, a large American-style fridge/freezer space and a striking natural oak island which incorporates an induction hob, deep pan drawers and breakfast seating for four. A flush-mounted ceiling extractor, feature lighting and an abundance of storage elevate the space to a true statement kitchen. The adjoining dining area offers bespoke fitted cupboards, an integrated wine chiller and a recessed bar/display area with antique mirror backing and ambient lighting — ideal for entertaining.

The living area is flooded with natural light from the roof lantern and full-width anthracite sliding doors with integral blinds, opening directly onto the porcelain-paved terrace and garden beyond. A separate utility room and cloakroom complete the ground floor.

To the first floor, a striking staircase with oak handrail and contemporary metal balustrade leads to four thoughtfully designed bedrooms. The principal suite is particularly impressive, featuring vaulted double-height ceilings, remote-controlled roof lights, built-in wardrobes and French doors opening onto a private balcony with glass balustrade — an ideal spot for morning coffee. The en-suite shower room is finished in a sleek, modern style with rainfall shower

and illuminated mirror. Three further bedrooms provide excellent flexibility for family living, guests or home working, including one with a bespoke fitted cabin bed and integrated storage. The family bathroom is equally stylish, incorporating a modern white suite, oak vanity, rainfall shower over bath and quality tiling.

Externally, Beechcroft continues to impress. The front provides private parking for two vehicles, while wide gated side access leads to the rear. The landscaped garden has been designed for both relaxation and entertaining, with an extensive porcelain terrace, lawned garden, and an additional raised timber decked seating area to the rear. A fully insulated garden office with power and lighting offers an ideal home working space, studio or gym, complemented by an attached garden store.

Offering contemporary design, energy-efficient construction and luxury finishes throughout, Beechcroft represents a rare opportunity to acquire a nearly new, architect-designed home in a sought-after Congleton location.
