5 Adderstone Crescent represents one of Newcastle's finest, detached luxury period homes. This magnificent 1920s Arts & Crafts style, three storey residence represents the very best that is available within Newcastle for luxury private dwellings.

Ideally positioned to the western side of Adderstone Crescent, and one of only five imposing and significant detached houses, this incredible and substantial family home enjoys generous west facing gardens which back onto the grounds of the Northumberland Lawn Tennis Club, ideally placed to provide excellent access into central Jesmond with its excellent shops, cafes and amenities, Jesmond Dene and outstanding independent local schooling.

The property is accessed via secure wrought iron entrance gates that lead through to a beautiful reclaimed cobbled 'in and out' driveway, which allows for secure off street parking for multiple vehicles with a large integral double garage providing secure parking with twin electric roller doors.

The high ceilings, magnificent cornicing and bespoke handmade beautiful oak staircase which was constructed in North Yorkshire by 'Bisca' in 2019, as well as the solid oak panelled doors, solid wood double glazed windows and highly impressive proportions to the principal reception rooms, are all delightful features of this excellent detached home.

The property benefits from a 'fluid automation' zoned heating system, CCTV security and fire alarm systems, and integral 'Sonos' music system in all principal rooms.

The ground floor accommodation comprises: Entrance vestibule leading through to the impressive dual height reception hall with original stained glass picture window, double height oak panelled window, beautiful bespoke sweeping oak staircase with hand forged wrought iron railings, ground floor cloakroom, WC and access to the plant room.
