Upon arrival...

Making an attractive first impression, the property is approached by a block paved driveway to one side, offering parking for three vehicles, whilst a further Indian stone flagged space to the other side provides another parking space. Established shrubs and bushes surround a pretty, wildflower garden to the front whilst access to the property is obtained through a UPVC door with opaque glazed insets into the welcoming hallway, where wood-effect flooring flows throughout and leads beyond to the rest of the accommodation. There is ample space for coats and shoes, making it well suited to everyday family life, whilst to the left a useful, fully tiled cloakroom, fitted with a wall-mounted wash hand basin and close-coupled w.c. with an opaque window and pendant light completes the space.

Where living happens...

The reception room offers a cosy space for the family to gather, centred around an open fire with a decorative tiled surround, hearth and oak mantel. A front-facing window allows natural light to fill the room, which is completed by a television point and a combination of pendant and wall lighting.

The kitchen–diner is well arranged and fitted with an extensive set of cream wall and base units, complemented by neutral brown quartz worktops that extend to an upstand and are finished with cupped handles. The kitchen provides space for an electric Rangemaster cooker with extractor hood above, a double porcelain sink, integrated dishwasher and space for an American-style refrigerator/freezer.

To one side, a useful utility area offers plumbing for a washing machine, venting for a tumble dryer and an external door providing access to the side of the property.

Additional base units topped with a solid oak wooden counter creates a breakfast bar ideal for informal meals, whilst there is ample space to the side for a dining table. Recessed downlights, sliding doors to the conservatory and French doors to the side enhance the sense of light and connection, with access from here back through to both the reception room and hallway.

The conservatory provides a useful additional living space, enjoying views over the rear garden and finished with tiled flooring. Patio doors open directly onto the garden, making it ideal as a children's playroom or a relaxed secondary living area.

Bedding in...

Four bedrooms and a family bathroom are located to the first floor. The first of which is the second bedroom which is a good-sized double room holding fitted wardrobes with mirrored fronts to one wall, a central pendant light and a window overlooking the front. The en suite is fully tiled with wet wall panelling around and features an electric cubicle shower, a vanity wash hand basin and close coupled w.c.

Bedrooms three and four are also double rooms fitted with wardrobes and having windows overlooking the rear and central pendant lights.

Bedroom four is a single room with a window to the front and illuminated by a pendant light.

Completing this floor is the family bathroom, fitted with a three-piece suite comprising a panelled bath, vanity wash hand basin with adjacent shaving point and a

close-coupled w.c. The room is fully tiled and enjoys a bright atmosphere, enhanced by an opaque window and pendant lighting.

The principal bedroom occupies the second floor, offering a spacious room with two Velux windows, recessed downlighting and useful eaves storage. This level is complemented by a three-piece en suite comprising an electric shower within a cubicle, pedestal wash hand basin and close-coupled w.c. The en suite is finished with tiled flooring, tiling to dado height, recessed downlighting and an opaque side window.

Garden delights...

The garden is laid to a combination of patio and lawn, providing space for outdoor seating as well as children's play. Raised sleeper beds add interest and define the borders, with timber fencing enclosing the space. The patio extends to either side of the garden, with one area accommodating a timber shed and the other providing access through to the front of the property. A detached single garage completes the outdoor space, fitted with an electric up-and-over door, power and lighting. Whilst an electric car charger completes the amenities.
