Energy performance certificate (EPC)

3 Moorland Court Moorland Road POULTON-LE-FYLDE FY6 7EQ	Energy rating **E**	Valid until:	**4 November 2036**
		Certificate number:	**2682-2111-2111-0609-9943**

roperty type	Ground-floor flat
otal floor area	63 square metres

Rules on letting this property

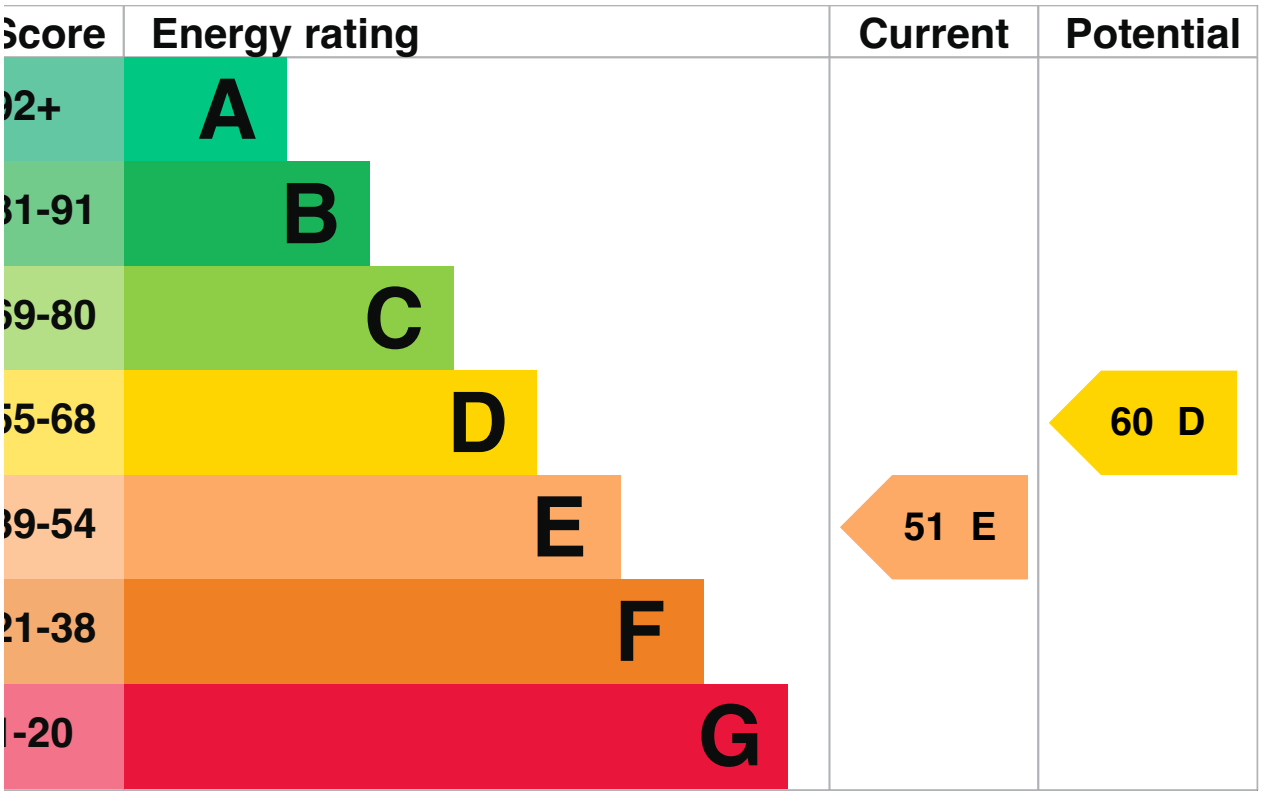

operties can be let if they have an energy rating from A to E.

u can read guidance for landlords on the regulations and exemptions (https://www.gov.uk/guidance/domestic-private-rented-operty-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

is property's energy rating is E. It has the potential to be D.

e how to improve this property's energy efficiency.

e graph shows this property's current and potential energy rating.

operties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy b e likely to be.

r properties in England and Wales:

- the average energy rating is D
- the average energy score is 60

Breakdown of property's energy performance

eatures in this property

atures get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how ll features work or their condition.

sumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

ature	Description	Rating
all	Cavity wall, filled cavity	Good
all	Cavity wall, as built, partial insulation (assumed)	Good
ndow	Fully double glazed	Poor
ain heating	Boiler and radiators, electric	Poor

ain heating control	Programmer, room thermostat and TRVs	Good
t water	Electric instantaneous at point of use	Very poor
ghting	Excellent lighting efficiency	Very good
oof	(another dwelling above)	N/A
oor	Solid, no insulation (assumed)	N/A
tightness	(not tested)	N/A
condary heating	None	N/A

rimary energy use

e primary energy use for this property per year is 183 kilowatt hours per square metre (kWh/m2).

About primary energy use

mart meters

is property had **a smart meter for electricity** when it was assessed.

nart meters help you understand your energy use and how you could save money. They may help you access better ergy deals.

nd out about using your smart meter (https://www.smartenergygb.org/using-your-smart-meter)

low this affects your energy bills

average household would need to spend **£1,894 per year on heating, hot water and lighting** in this property. These sts usually make up the majority of your energy bills.

u could **save £342 per year** if you complete the suggested steps for improving this property's energy rating.

is is **based on average costs in 2026** when this EPC was created. People living at the property may use different nounts of energy for heating, hot water and lighting.

---

eating this property

timated energy needed in this property is:

- 5,879 kWh per year for heating
- 1,345 kWh per year for hot water

mpact on the environment

is property's environmental impact rating is B. It has the potential to be B.

operties get a rating from A (best) to G (worst) on how much carbon dioxide (CO2) they produce each year.

arbon emissions

n average household produces	6 tonnes of CO
his property produces	1.1 tonnes of CO
his property's potential production	0.9 tonnes of CO

u could improve this property's CO2 emissions by making the suggested changes. This will help to protect the vironment.

ese ratings are based on assumptions about average occupancy and energy use. People living at the property may use ferent amounts of energy.

teps you could take to save energy

Do I need to follow these steps in order?

tep 1: Floor insulation (solid floor)

ypical installation cost	£5,000 - £10,0(
ypical yearly saving	£3(
otential rating after completing step	60 D

dvice on making energy saving improvements

t detailed recommendations and cost estimates

elp paying for energy saving improvements

u may be eligible for help with the cost of improvements:

Free energy saving improvements: Warm Homes Local Grant (WHLG)
Heat pumps and biomass boilers: Boiler Upgrade Scheme
Help from your energy supplier: Energy Company Obligation

Who to contact about this certificate

ontacting the assessor

ou're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

ssessor's name	Archie Aspinwall
elephone	07983539490
mail	archie@northwestenergyperformance.co.k

ontacting the accreditation scheme

ou're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

ccreditation scheme	ECMK
ssessor's ID	ECMK307791
elephone	0333 123 1418
mail	info@ecmk.co.uk

bout this assessment

ssessor's declaration	No related party
ate of assessment	4 November 2026
ate of certificate	5 November 2026
